Tundra to Tropics: Connecting Birds, Habitats, and People

13-16 February 2008
McAllen Convention Center
McAllen, Texas

Dear Bird Conservation Partner,

The 4th International Partners in Flight Conference, *Tundra to Tropics: Connecting Birds, Habitats, and People*, will be held February 13-16, 2008 in McAllen, Texas. We have planned an exciting conference focusing on issues, needs, and opportunities in bird conservation that are shared across the Western Hemisphere.

We invite you to become a sponsor and help support the conference. Your participation and sponsorship will create an opportunity to reach an important audience consisting of hundreds of scientists, conservation specialists, policy makers, and the public.
